CHAPTER 876

An act to add Section 597.6 to the Penal Code, relating to animals.

[Approved by Governor September 29, 2004. Filed
with Secretary of State September 29, 2004.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1857, Koretz. Animal cruelty: exotic or native wild cat species: declawing.

Existing law proscribes cruelty to animals, as specified.

This bill would make it a misdemeanor, punishable as specified, for any person to perform, procure, or arrange for surgical claw removal, declawing, onychectomy, or tendonectomy on an exotic or native wild cat species, as defined, or from altering such a cat's toes, claws, or paws in order to prevent their normal functioning. The bill would exempt from the prohibition procedures performed solely for a therapeutic purpose, as defined. Because a violation of this prohibition would be a crime, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The people of the State of California do enact as follows:

SECTION 1. Section 597.6 is added to the Penal Code, to read:

597.6. (a) (1) No person may perform, or otherwise procure or arrange for the performance of, surgical claw removal, declawing, onychectomy, or tendonectomy on any cat that is a member of an exotic or native wild cat species, and shall not otherwise alter such a cat's toes, claws, or paws to prevent the normal function of the cat's toes, claws, or paws.

(2) This subdivision does not apply to a procedure performed solely for a therapeutic purpose.

(b) Any person who violates this section is guilty of a misdemeanor punishable by imprisonment in a county jail for a period not to exceed one year, by a fine of ten thousand dollars (\$10,000), or by both that imprisonment and fine.

(c) For purposes of this section, the following terms have the following meanings:

(1) “Declawing” and “onychectomy” mean any surgical procedure in which a portion of the animal’s paw is amputated in order to remove the animal’s claws.

(2) “Tendonectomy” means a procedure in which the tendons to an animal’s limbs, paws, or toes are cut or modified so that the claws cannot be extended.

(3) “Exotic or native wild cat species” include all members of the taxonomic family Felidae, except domestic cats (*Felis catus* or *Felis domesticus*) or hybrids of wild and domestic cats that are greater than three generations removed from an exotic or native cat. “Exotic or native wild cat species” include, but are not limited to, lions, tigers, cougars, leopards, lynxes, bobcats, caracals, ocelots, margays, servals, cheetahs, snow leopards, clouded leopards, jungle cats, leopard cats, and jaguars, or any hybrid thereof.

(4) “Therapeutic purpose” means for the purpose of addressing an existing or recurring infection, disease, injury, or abnormal condition in the claw that jeopardizes the cat’s health, where addressing the infection, disease, injury, or abnormal condition is a medical necessity.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.
